2020 – 2024

B.E. — Computer Science

Chandigarh University

2020

Senior Secondary

SKD, Hathras

Secondary

Class X

Kendriya Vidyalaya No. 1, Faridabad

Product & UI/UX Designer crafting intuitive digital experiences.

UI/UX Designer focused on creating intuitive, user-centered digital experiences — translating ideas and user needs into wireframes, prototypes, and polished, production-ready interfaces. Experienced across web and mobile product concepts, with a strong interest in product design, interaction design, and visual design systems.

Selected Projects 09

Travel Booking App — UI/UX Concept

2025

[Product Design](#) · [Web](#)

A clean, intuitive concept for discovering destinations, comparing options, and booking trips with strong visual hierarchy.

Cadence — Health Dashboard

2026

[Product Design](#) · [Healthcare](#)

Clinician-facing remote-monitoring dashboard with a tiered alert system, scannable in under ten seconds per patient.

ENERGO — Energy Drink Packaging & Branding

2025

[Brand Identity](#) · [Packaging Design](#)

Cyberpunk-inspired packaging with glowing graphics and data-driven UI motifs communicating speed and power.

Northline — Banking App Redesign

2026

[Product Design](#) · [Banking](#)

A desktop financial command center extending the Northline mobile app with insights and spending analytics.

Spotify — UI Concept Showcase

2025

[Product Design](#) · [Mobile](#)

An exploratory UI showcase reimagining key Spotify flows with a fresh interaction model.

Reimagining the Nike Webstore

2026

[Product Design](#) · [Webstore](#)

A next-generation Nike webstore blending high-performance design with immersive interaction.

Verdant — Plant Care Marketplace

2026

[UX Research](#) & [UI Design](#)

Fixed a 38% checkout drop-off with a single-page checkout and inline validation, shipped in six weeks.

EazyDiner — App Redesign, UI/UX Case Study

2026

[Product Design](#) · [Mobile](#) · [Dining](#)

A premium dining experience with personalized recommendations and a streamlined table-booking flow.

Modelle — Fashion Brand Identity

2023

[Product Design](#) · [Brand](#)

An elegant fashion identity with refined serif typography and a distinctive monogram in luxury tones.
